Suggested Steps for Parents to Ensure Service Delivery

Know Exactly . . What you need to obtain, learn, or explain. Be honest and factual. Be Patient!

Gather or Collect . . Basic documents about yourself and/or family; such things as birth certificates, business mailings envelopes, current bill records for rent/mortgage payments, utility payments, school or medical records, photo identification, pay stubs, and any other determination of status letters. Keep these documents handy, presentable, and out of the reach of children and pets.

Let Someone Know . . What you are planning to do. Know your rights and responsibilities. Be or become a registered voter.

Telephone . . The community resource first before making a trip to their office. Write down the name(s) of contact person, date, time, and whatever additional information you obtain. Check to see if an appointment or some preliminary procedure is required.

Allow Plenty . . Of travel and waiting time. Remember that there may be other people to be seen. Be prepared to travel by public transportation if other means fail or are not available. By all means, plan to be on time.
