

Dear MVCDC Families,

MV CDC Policy Council President, **Ebony Hastings**, is a 2024 graduate of the Ohio Head Start Parent Ambassador program!

The role of a Head Start Parent Ambassador is to be an advocate for Head Start at the local level and where possible the state and national levels. Parent Ambassadors focus their advocacy through participation in events, social media, and training at the local, state, and national levels. Ebony has been a fantastic Head Start advocate.
