Go to <https://gettheshot.coronavirus.ohio.gov/> for information about the COVID-19 vaccine, booster shots, and other great resources. Click [HERE](#) for a list of updated vaccination sites. Click [HERE](#) for information about **Dayton Children's COVID-19 vaccination clinics**. Households can order a total of four at-home tests from the COVIDTests.gov website to be mailed directly to them for free, regardless of how many tests they ordered under the previous program.

Please be aware that our area may experience a Measles outbreak. If you have not done so, PLEASE ensure your child is up to date on their vaccines, specifically their MMR. If your child is not vaccinated and their classroom has a positive case your child will not be able to return for 20 days, per the local health department. If your child needs a first or second dose, please see their pediatrician or the local health department and bring your FSS or teacher an updated shot record. Click [HERE](#) for additional information from the Centers for Disease Control and Prevention (CDC).
