The Social and Emotional Development Team at the Greene County ESC will facilitate virtual meetings to empower parents of children ages 0-10, through positive supportive networking. Each month, new information will be presented to encourage parents to reflect on communication with their children without blame or shame, but through the use of humor, support, and resource sharing. Parents can join any session to participate or just listen in! The next sessions are scheduled for March 21, 8-8:30 pm and March 22, 1-1:30 pm. **Join each meeting here:** <https://zoom.us/j/97049694203> See the [announcement flyer here](#) or contact: ECMHTeam@greeneESC.org for more information.
