

Dear MVDC Families,

MVDC Regions 3 and C, under the leadership of Veronica Peacock and Joyce Rybolt, will be hosting a **Clark County Recruitment and Hiring Event**

July 21, 2023, 11 am – 2 pm

at the Sunset Administration Building
1111 Sunset Ave, Springfield 45505

On the spot intake applications will be taken for children and families who are eligible for Head Start services.

Families can bring to the event copies of their child's birth certificate, shot record, and proof of income. SNAP, TANF, OWF, and SSI award letters are accepted as proof of income.

We are also seeking DIFFERENCE MAKERS to join our team. If you know someone looking for a job or a career change, let them know we will be offering **on the spot interviews** and remind them to bring their resume. A complete listing of open positions is available on our website at www.mvcdc.org

Reading at Home Did you know Dolly Parton's Imagination Library shares tips and resources for families? **Visit their website to find age-specific reading tips for children.** These tips are great resources for ALL families.

Public Health Dayton & Montgomery County is holding a Mommy Meet-Up on July 27 from 2 to 3:30 pm at Gem City Market community room, 324 Salem Ave, Dayton. Participants will learn about physical activity during pregnancy and participate in a low impact Tai Chi session. Registration is required and seating is limited. Click [HERE](#) for more information.

4C for Children created age-specific monthly calendars that feature daily activities to help children learn through play. Check out these great calendars: [INFANT](#) [TODDLER](#) [PRESCHOOL](#)

Water play is a great idea for a hot summer day. Inflate the pools, get the water toys, and take the sensory tables outdoors! Playing in water not only fosters sensory development but can also help children develop lifelong math skills. Practice math and measuring with [THESE](#) water activities. Learn about sensory development with [THESE](#) 7 fun water activities.

Water Safety

- ✓ Always use caution when children are around water.
- ✓ Watch children when they are in or around water, without being distracted.
- ✓ Children can drown in as little as 1 inch of water. It's important to keep them within arm's reach of an adult.
- ✓ Empty tubs, buckets, containers, and kids' pools immediately after use.
