

Dear MVCDC Families,

Don't forget that our **programs will be closed tomorrow, Friday, Sept. 4**, for an all-staff meeting. We hope you have a wonderful Labor Day weekend! Be safe, and please continue to wear a mask and social distance. Don't let your guard down when you gather with family and friends!

**We do not have any new reports of staff or children testing positive for COVID-19.**

We greatly appreciate all you're doing to keep your children and families healthy!

If you know someone who is reluctant to send their child to an in-person learning program, please tell them our **NEW virtual early learning option** kicks off next week — **Tuesday, September 8**. We still have **spots!** Families can enroll by calling **(937)2EN-ROLL**.

All families in the virtual program will receive a **"loaner" tablet pre-loaded with educational programs and an adequate data plan** to keep their child learning at home. We'll also provide **weekly individualized educational activities, weekly virtual group meetings and monthly family engagement events**.

Don't forget that if you haven't already filled out a **Census form for your family, please do so now!** Go to **2020census.gov** — or you can call in your responses at **844-330-2020**. Everyone counts! The process is easy and fast! Our community needs you to respond to ensure we get all the federal assistance that we're entitled to.

Ohio's travel advisory this week is for **Alabama, Iowa, Kansas, Nevada, North Dakota and South Dakota**. **If your child has traveled to these states, he or she will need to quarantine at home for 14 days after your return.**

Again, stay safe! Don't hesitate to contact me at (937) 226-5664, ext. 202.

Gratefully,

Berta
