

Dear MVCDC Families,

**The agency's COVID-19 Dashboard, as of February 24, is included on pages 2 and 3.**

I hope the COVID-19 vaccine Q&A discussion with Dr. Alonzo Patterson that we shared with you last week was a useful tool to help decide if the vaccine is right for you. **We are excited to share the March 4 phase 1C COVID-19 vaccine rollout recently announced by Governor DeWine includes Child Care Administrators, Lead Teachers, and Assistant Teachers!**

We are on our way to getting through this pandemic. As you may know, distribution of the **Johnson & Johnson COVID-19 vaccine** has begun. Click [here](#) to read a *New York Times* article about the Johnson & Johnson vaccine as well as some other great vaccine information.

**Dayton Children's Hospital's Community Teaching Kitchen is offering FREE virtual nutrition education classes.** These classes will cover topics about eating healthy on a budget and will feature a cooking demonstration for you to follow along at home. **Classes are on Tuesdays from 4–5:30 p.m.** The March 9 class is [Cut the Fat: Turkey Meatballs](#). Other classes are listed further down on the registration page. For more information, contact Emily Callen at [callene@childrensdayton.org](mailto:callene@childrensdayton.org).

**MVCDC is beginning to enroll for the 2021-2022 school year!** Be sure to contact your Family Support Specialist to reserve your child's space. If you have any friends or family who are interested in enrolling in Head Start or Early Head Start, have them call **937.2.ENROLL**.

**We are also hiring for a variety of positions.** If you are interested in working in early childhood education, check our website [www.mvcdc.org](http://www.mvcdc.org) or [Facebook](#) page for a list of open positions.

Take care and be safe!

Gratefully,
