

Dear MVCDC Families,

**We have only ONE new COVID-19 case to report this week:**

- This case involved a staff member at the **St. Joseph** center in Clark County resulting in 5 additional staff and 34 children needing to quarantine. Three classrooms were closed.

Go to <https://gettheshot.coronavirus.ohio.gov/> to learn more about the vaccine and to schedule appointments. We are still awaiting updates for childcare agencies related to COVID-19 protocol changes. When that happens, we will let you know how and when the changes impact MVCDC.

**Governor DeWine began a public outreach campaign consisting of a series of statewide drawings to provide incentives for Ohioans to get a COVID-19 vaccination!** Ohioans 18 years of age and older who have received at least their first dose of COVID-19 vaccination have a chance to win one of five \$1 million prizes. Ohioans 12 to 17 years of age who have received at least their first dose of COVID-19 vaccination have a chance to win one of five four-year full-ride scholarships to an Ohio state college or university. **Go to [www.ohiovaxamillion.com](http://www.ohiovaxamillion.com) to register for the drawings.**

**The Ohio State University has created a RealTalk webinar series with ideas for parenting young children.** The 30-minute live sessions, listed below, include information, top tips, and a chance to ask questions. The series is free and registration is not required. Click [HERE](#) for full details, to join the webinar, or to see previous recordings.
