

Dear MVCDC Families,

## We have ZERO new COVID-19 cases to report this week!

Families and staff have done a great job of following the Centers for Disease Control and Prevention (CDC) recommended guidelines as well as MVCDC's health and safety protocols to help keep us all safe. **We appreciate everything you are doing!** If you are interested in getting the vaccine, click [here](#) to schedule an appointment.

**We are still awaiting updates for childcare agencies related to COVID-19 protocol changes.** When that happens, we will let you know how and when the changes impact MVCDC.

If you have friends or family who are interested in enrolling in Head Start or Early Head Start, have them call 937.2.ENROLL.
