

Dear MVCDC Families,

We have only ONE new COVID-19 case to report this week:

- This case involved a child at the **Rosa Parks** center in Montgomery County resulting in 3 staff and 15 children needing to quarantine. One classroom was closed.

The agency's COVID-19 Dashboard, as of May 28, is included below.

As you can see from the dashboard, we are seeing a reduction in the number of COVID cases thanks to everyone's efforts and the adoption of safe and healthy practices, including getting vaccinated against COVID-19. MVCDC supports the choice to vaccinate or not to vaccinate as a personal choice and individual decision, but we also know from the scientific information available to us that the COVID-19 vaccines available to us are safe and effective. Many MVCDC staff have already been vaccinated. If you need vaccine information or are interested in scheduling an appointment, you can visit <https://gettheshot.coronavirus.ohio.gov/>.

As you probably know, Governor DeWine lifted many of Ohio's health orders on June 2. As a result, the Ohio Department of Job & Family Services (ODJFS) is no longer enforcing the transitional pandemic childcare rules, however, **ODJFS is requesting that childcare centers continue to follow guidance from the Centers for Disease Control**. Although masks are no longer required, MVCDC is requesting that all employees and parents **NOT** vaccinated continue to wear masks when in the classroom, buildings or in common space. **Please continue practicing all other COVID protocols, until further notice**. We have done a great job of protecting our children and high-risk staff throughout this pandemic.

If you have friends or family who are **interested in enrolling in Head Start or Early Head Start, have them call 937.2.ENROLL**.

We are hiring! If you know someone looking for a job or a career change, let them know about the great opportunities at MVCDC. **We need DIFFERENCE MAKERS to be part of our team!**

Have a great weekend!

Gratefully,

Berta
