

Dear MVCDC Families,

**We have ZERO new COVID-19 cases to report this week!**

We still have not received any additional information since Governor DeWine lifted many of Ohio's health orders on June 2. MVCDC will continue to follow guidance from the Centers for Disease Control and request that all employees and parents **NOT** vaccinated continue to wear masks when in the classroom, buildings or in common space. **Please continue practicing all other COVID protocols, until further notice.** Visit <https://gettheshot.coronavirus.ohio.gov/> for vaccine information or to schedule an appointment.

**President Biden's American Rescue Plan (ARP) created a monthly child allowance to replace the current Child Tax Credit. Beginning in July 2021, families who qualified for this year's Child Tax Credit on their tax return will receive monthly payments of \$300 per child under age 6 and \$250 per child aged 6-17.** This is advanced tax relief; normally, tax relief comes the following year when you file your taxes. With the ARP Child Tax Credit, families should start receiving monthly payments in July. Click [HERE](#) for more information about the Child Tax Credit.

**The Homefull Mobile Grocery store will be at the Marilyn E. Thomas Children's Center (MET) TODAY.** The store will be **open from 1 to 4 p.m.** for Head Start families and Trotwood community members and accepts most forms of payment, including SNAP/EBT.

**We still need DIFFERENCE MAKERS to be part of our team!** The Human Resources (HR) department is holding **Open Interviews each Wednesday from 11 a.m. to 12 Noon** at 215 Horace Street, Dayton 45402. The HR team will be available and ready to interview any interested candidates. Stop by to explore a career with MVCDC and **learn about our signing bonus of up to \$3,000.**
