

Dear MVCDC Families,

**We have ZERO new COVID-19 cases to report this week!**

MVCDC will continue to follow guidance from the Centers for Disease Control and requests that all employees and parents **NOT** vaccinated continue to wear masks when in the classroom, buildings or in common space. **Please continue practicing all other COVID protocols, until further notice.** Visit <https://gettheshot.coronavirus.ohio.gov/> for vaccine information or to schedule an appointment.

**We have good news regarding technical difficulties the agency has been experiencing – MVCDC’s MIS team has been working tirelessly and we are almost back to normal.** We can now communicate via e-mail. We apologize for any inconvenience. **If you are having any difficulties reaching MVCDC staff, please call us at 937-226-5664.**

**MVCDC has launched a phone app which is now available for iOS™, Android™, and Windows™ devices. The app enables parents and staff to stay connected and informed about what’s happening at MVCDC.** The app is free and will provide parents with quick access to everything agency-related including calendars, directions to events, contact information for teachers and administrators, important documents, menus, and more. The app is available at the App Store and Google Play. Search for **miami valley cdc** to find our app or scan the QR code.

**We are hiring!** If you know someone looking for a job or a career change, let them know about the great opportunities at MVCDC. **We need DIFFERENCE MAKERS to be part of our team!**

**MVCDC is enrolling for the 2021-2022 school year!** If you have friends or family who are interested in enrolling in Head Start or Early Head Start, have them call **937.2.ENROLL.**

Have a good weekend!

Gratefully,
