

Dear MVCDC Families,

We have 3 new COVID-19 cases to report this week:

- 1 case involved a child at the **Dayton View** center in Montgomery County resulting in 2 staff and 20 children needing to quarantine. Two classrooms were closed.
- 1 case involved a staff member from the **Marilyn E. Thomas Children's Center** in Montgomery County; no one needed to quarantine.
- 1 case involved a staff member from the **Madison County Home Base** program; no one needed to quarantine.

Due to an increase in the Delta variant and COVID cases, MVCDC is making a change to our COVID protocol. Beginning Monday, July 26 all staff (vaccinated and unvaccinated) working with children, coming in contact with children, and anyone entering the building will need to wear a mask. This includes bus drivers and monitors when on the bus. On August 1, parents can enter the building and drop off their children, but they must wear a mask. All other protocols remain the same. Administrative buildings and staff not in contact with children do not need to wear masks if vaccinated. Visit <https://gettheshot.coronavirus.ohio.gov/> for vaccine information.
